

## Homework

Term 1 Week 2

Due Date: Friday, 10<sup>th</sup> February

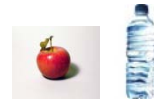

### Pencil Case Check

Make sure you have everything you need stationery-wise ready to use each day in your pencil case – e.g. ruler, pencil, eraser, blue and red pens, glue stick, highlighters.

### DEAR Book Reminder

You should have a book to read (not just to look at the pictures or jokes) at school each day.

**DON'T FORGET CRUNCH AND SIP!!!!**

## Science

This semester we will be studying the science unit 'Out in Space'. Research the following terms and draw a line to the correct definition.

star		The Sun, planets, natural satellites and asteroids
planet		The planet we live on
solar system		Object that orbits the Sun and spins on its axis
solar		Massive ball of fire
Earth		To do with the Sun

My Goal for Term 1 is.....
